New World Alliances (NWA) is a globally recognised organisation dedicated to the protection, preservation and promotion of human rights, justice and dignity for all. New World Alliances operates under the principles enshrined in International humanitarian law and is registered with key global human rights bodies, including the United Nations (UN) and various International human rights commissions.

All correspondence issued by New World Alliances ambassadors is also copied and distributed to the Chairman, Sir Larry Swart, and the International Criminal Court (ICC) in The Hague, Netherlands. The committee's mission is aligned with the UN's Universal Declaration of Human Rights and other key International treaties. This affiliation empowers New World Alliances Executive Committee members, especially appointed New World Alliances Envoys, VIP Global Ambassador Diaspora (GAD) and Global Ambassador Diaspora and its Honorary Diplomatic Peace Ambassadors Corp to monitor, report and act on any and all human rights violations worldwide.
- **Affiliations with Human Rights Bodies:** In addition to our UN registration, New World Alliances is affiliated and recognised by multiple human rights organisations across various regions, including the European Court of Human Rights, the Inter-American Commission on Human Rights and the African Commission on Human and Peoples' Rights. These partnerships and collaborations strengthen our ability to advocate for victims of genuine human rights abuses and hold violators accountable.
